

aluminium Air Pipe Heads = low longterm investment

WHY INVEST MORE THAN NECESSARY?

Comparison of investment over a period of 10 years

Winteb aluminium Air Pipe Heads versus cast iron Air Pipe Heads

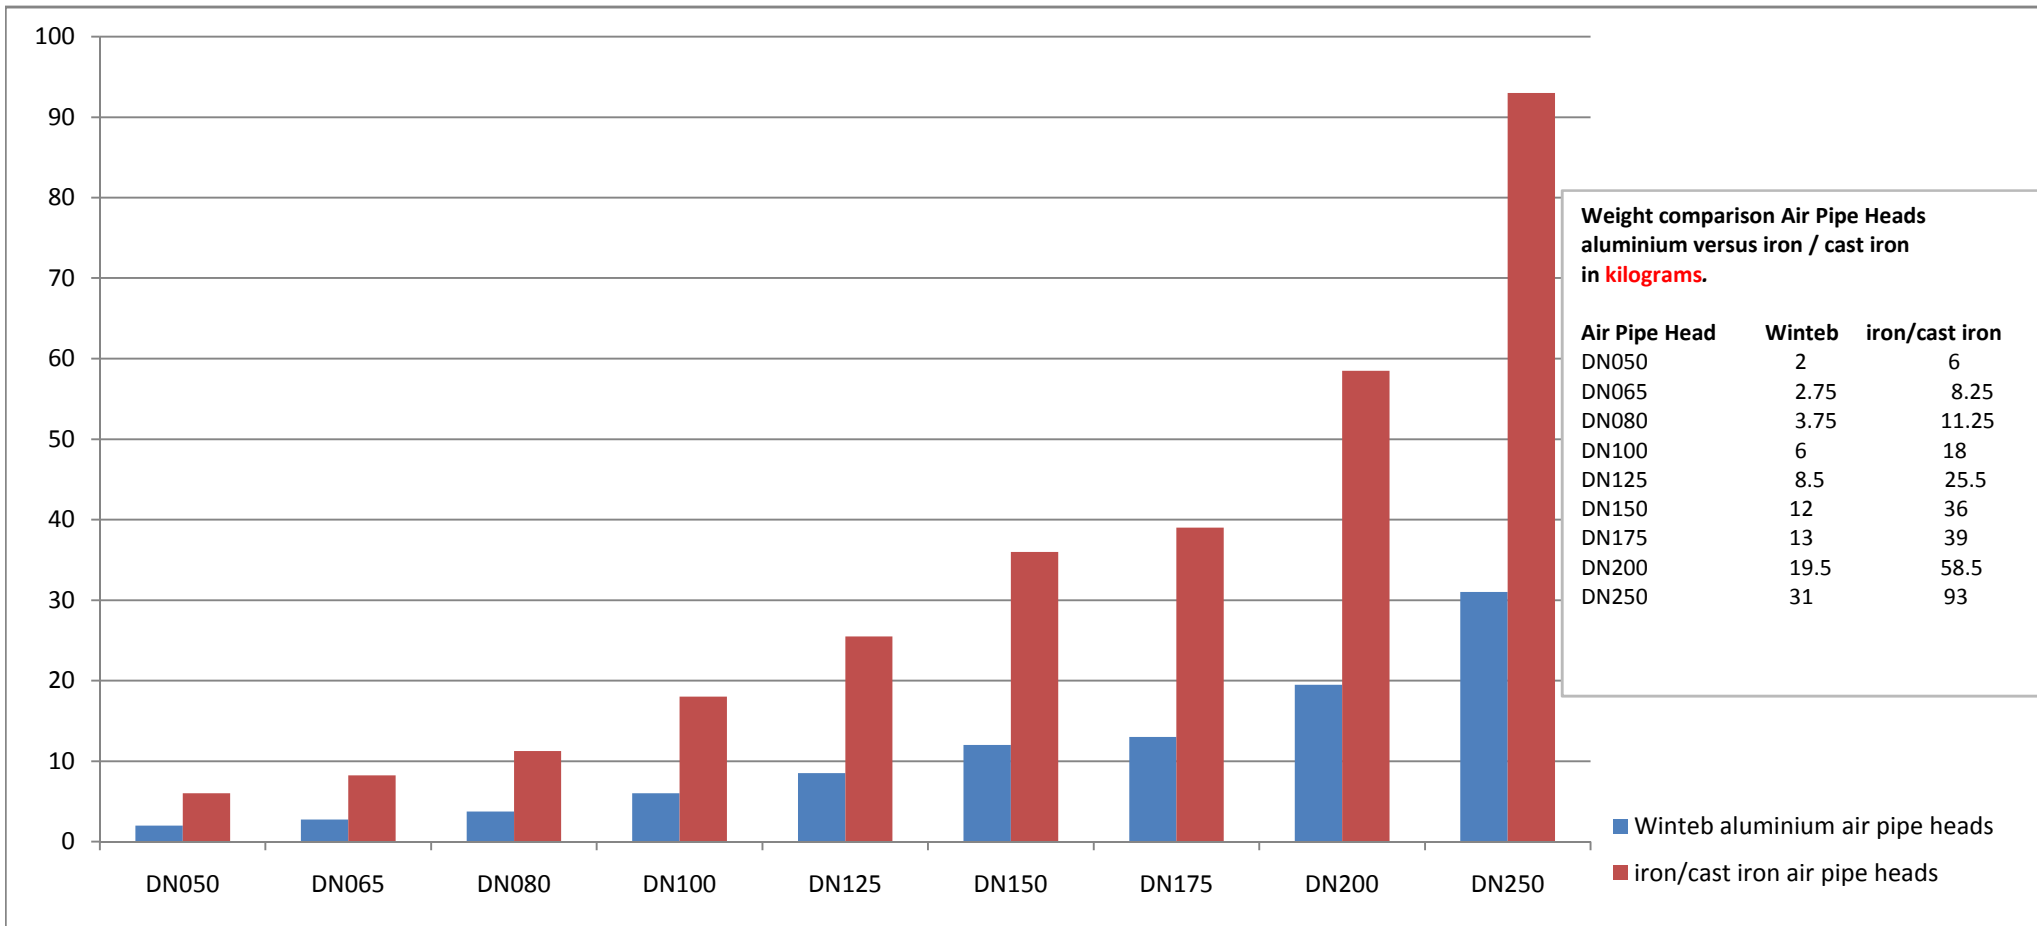

Years	Replacement	Replacement	Total investment	
	cast iron	Winteb	cast iron	Winteb
start	-	-	60%	100%
2.5	YES	NO	120%	remains at 100%
5	YES	NO	180%	remains at 100%
7.5	YES	NO	240%	remains at 100%
10	YES	NO	300%	remains at 100%

less weight = less fuel

Why carry more weight than necessary?

Weight comparison Air Pipe Heads Winteb aluminium versus iron/cast iron in kilograms

Advantages of Winteb Air Pipe Heads:

- * seawater resistant aluminium DIN 1725
- * light weight

- * non corroding
- * maintenance free

- * smallest design available
- * cost saving
